Dear Madam,

CORPORATE DISCLOSURE – PURSUANT TO APPENDIX 8A

INITIATION OF CAPITAL INVESTMENT PLANS

In terms of Appendix 8A of the Listing Rules of the Colombo Stock Exchange, Sierra Cables PLC wishes to announce that its Board of Directors has approved a total capital investment of USD 3,229,760 in new machinery and infrastructure to expand the Company's export production capacity, in response to sustained strong demand from overseas markets.

The capacity expansion programme is expected to be completed by the end of the 2026/27 financial year, with the enhanced capacity targeted to become commercially operational from 1st April 2027, at the commencement of the 2027/28 financial year.

The investment is expected to approximately double the Company's export production capacity, providing greater scope to meet growing international demand and to further expand the Company's export business.

Yours faithfully,
