03.DIVIDEND FROM BANGLADESH ASSOCIATES

There was a delay in receiving dividends from associate companies in Bangladesh due to the prevailing conditions faced by those companies and the banking restrictions in Bangladesh. However, the management of these associate companies has taken steps to expedite the dividend remittance process. In the meantime, LVL Energy Fund PLC has implemented proactive measures to manage its cash flow, including the restructuring of bank facilities and the rights issue conducted in May 2026.

Further, considering the time value impact arising from the delay in receiving these dividends, management has recognized a provision of LKR 99 Mn in the financial statements in accordance with the applicable SLFRS/IFRS requirements. The impact of this provision is expected to be reversed upon receipt of the related dividends by the Group.

04.INVESTMENTS IN ASSOCIATES IN BANGLADESH

Two of our investee companies in Bangladesh, namely Lakdhanavi Bangla Power Limited and Feni Lanka Power Limited, have USD-denominated borrowings and USD revenue components under their respective Power Purchase Agreements (PPAs) with the Bangladesh Power Development Board. Both companies generate sufficient USD cash inflows to fully cover their USD loan repayments.

In accordance with IFRS 9 / Financial Instruments, the investee companies have designated these arrangements as cash flow hedges in their financial statements. The USD borrowings have been identified as the hedging instruments, and the USD revenue streams under the PPAs have been designated as the hedged items. Both the hedging instruments and hedged items meet the recognition criteria set out in IFRS 9, and hedge effectiveness has been assessed at 100%. Consequently, hedge accounting principles have been appropriately applied by the respective companies.

Since these companies are associates, the Group has applied the equity method of accounting as per LKAS 28 / Investments in Associates and Joint Ventures. Accordingly, the Group has recognized its share of profit or loss, other comprehensive income, and net assets relating to these investments in its consolidated financial statements.

05.SHARE OF PROFITS FROM BANGLADESH ASSOCIATES

Associate companies in Bangladesh have recognized interest income on delayed payments receivable from the Bangladesh Power Development Board (BPDB) in their respective financial statements for the financial year 2025/26. The Group's proportionate share of such delayed interest income amounted to LKR 213.8 Mn.

The Group has recognized its share of profits from these Bangladesh associate companies excluding the delayed interest income. Accordingly, such delayed interest income will be recognized in the Group financial statements on a cash-received basis.
