Dear Sir,

WINDFORCE PLC - CORPORATE DISCLOSURE UNDER SECTION 8.1 OF THE LISTING RULES

We are proud to announce the successful completion of the Hiruras Power (Pvt) Ltd, Wind Power Project in Mannar, Sri Lanka.

Hiruras Power is a wholly owned subsidiary of WindForce PLC, located in the wind-rich Mannar wind belt which marks a significant milestone in Sri Lanka's journey towards a greener and more sustainable future.

With a combined capacity of 15 MW, the project reinforces WindForce's position as a leading advocate of renewable energy to the nation.

Despite facing daunting challenges, including economic crisis and the after-effects of the Covid pandemic, the WindForce team showcased unwavering determination and resilience in successfully commissioning the first phase of 10MW on June 12, 2023, followed by the second phase of 5MW on July 21, 2023.

Yours faithfully,
