Dear Madam,

Vidullanka PLC – Corporate Disclosure – Section 8

VIDULLANKA PLC TOGETHER WITH ITS CONSORTIUM PARTNER DAVID PIERIS GROUP EMERGED AS LOWEST COST BIDDERS FOR MULLIKULAM 50MW WIND TENDER

On behalf of our client Vidullanka PLC, we write to inform you that Vidullanka PLC together with its consortium partner David Pieris Group, it has emerged as the Lowest Cost Bidder for the 50MW Mullikulam Wind Power Project tender. This determination as the lowest cost bidder represents a material step forward in securing the contract for the development of this large-scale renewable energy project.

The Board of Directors believes that, although the formal conclusion of the contract award is pending, this development constitutes price-sensitive information relating to specific matters of concern to the Company.

Rationale for Disclosure and Implications:

This information is considered material as it relates directly to the Entity's future business activities, potential material contracts, and long-term financial prospects. The Entity will make further announcements upon receipt of the formal contract award, execution of material agreements, or any other development concerning this tender process.

Forward-Looking Statement:

The statements made herein regarding the potential contract award are forward-looking and based on the current bidding results. They are subject to final awarding procedures, regulatory approvals, and negotiation of final terms, and should not be construed as certain.

Yours faithfully,
MANAGERS & SECRETARIES (PRIVATE) LIMITED
