Dear Madam,

WINDFORCE RECEIVES LETTER OF AWARD FOR 12 PROJECTS UNDER SRI LANKA'S FIRST STANDALONE BESS PROGRAMME

WindForce PLC is pleased to announce that the Company received the Letters of Award today, 16 February 2026, for 12 standalone Battery Energy Storage System (BESS) projects secured through international competitive bidding. These projects form part of Sri Lanka's first-ever grid-scale standalone BESS initiative, launched by the Ceylon Electricity Board (CEB) to enhance national grid stability and support greater renewable energy integration.

The 12 projects collectively amount to a total installed capacity of 120 MW/480MWh and will be developed as standalone BESS facilities under the Build, Own and Operate (BOO) model, operating over a 15-year contract period.

The total investment value for these 12 projects amounts to LKR 20.79 Bn and Project financing is expected to follow an 80:20 Debt-to-Equity structure.

Of the 12 projects, 11 will be fully owned and developed by WindForce PLC, while the Vavunathivu project will be developed through a consortium between WindForce PLC and Vidullanka PLC.
