Dear Madam,

CORPORATE DISCLOSURE – SECTION 8

COMMISSIONING OF 380 kWp ROOFTOP SOLAR PV POWER PROJECT – KERAWALAPITIYA

We wish to announce in terms of section 8 of the listing rules, that TESS AGRO PLC has successfully commissioned its 380 kWp Rooftop Solar PV Power Project located in Kerawalapitiya on its warehouse roof top owned by the company.

The project was commissioned and was connected to the national grid on the 15th January 2026. Following this installation, the testing phase and load balancing was completed 16th Feb 2026.

The total aggregate solar PV capacity installed by the Company now stands at 460 kWp.

Project Highlights:

- Installed Capacity: 380 kWp
- Location: No. 89, Muthuwella, Kerawalapitiya, Wattala
- Total Project Cost: Rs. 60 Million

This initiative forms part of the Company's ongoing sustainability strategy and commitment to renewable energy adoption. The project is expected to contribute towards reducing operational energy costs, lowering carbon emissions, and enhancing long-term value creation for shareholders.

Yours faithfully,
For and on behalf of
TESS AGRO PLC

Dilshan Fernando
Chairman /CEO
