Dear Madam,

Commissioning of 10MW Sooryashakthi Solar Power Project

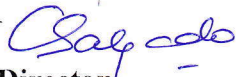

On behalf of our client Vidullanka PLC, we wish to inform you that Vidullanka PLC is pleased to announce the successful commissioning of the 10.0 MW Sooryashakthi Solar Power Plant, located in Vavunathivu in the Batticaloa District. It was inaugurated on Saturday, 26th July 2025. The plant has been successfully connected to the national grid.

The project was implemented through Sooryashakthi (Pvt) Limited, a fully owned subsidiary of Solar Universe (Pvt) Limited. Solar Universe is a joint venture between Vidullanka PLC and WindForce PLC, with each party holding an equal shareholding.

The plant is expected to generate approximately 19.5 GWh of clean energy annually, which will be supplied to the national grid, contributing to Sri Lanka's renewable energy targets.

Yours faithfully,
