Dear Madam,

LAUGFS POWER PLC – CORPORATE DISCLOSURE
COMMISSIONING OF 2MW HYDRO POWER PLANT AT GINIGATHENA

The Board of Directors of LAUGFS POWER PLC is pleased to announce the successful commissioning and grid connection of the 2MW Mini Hydro Power Plant located in Polpitiya, Ginigathena, on 26th March 2026. The commissioning was formally acknowledged by National System Operator (Private) Limited on 29th April 2026.

The project has been developed and implemented through PAMS Power (Private) Limited, a wholly owned subsidiary of LAUGFS POWER PLC.

The power plant is expected to generate renewable and environmentally sustainable energy for supply to the national grid, thereby contributing towards the achievement of the nation's renewable energy targets and broader sustainability objectives.

Thanking you,

Yours faithfully,
LAUGFS POWER PLC
