Dear Madam,

CORPORATE DISCLOSURE

In keeping with its expansion plans, Dipped Products PLC ('DPL') commenced operations at its newest manufacturing facility in the Katunayake Export Processing Zone on 8th October 2026 at an investment of Rs. 4.2 Bn.

The facility is expected to enhance DPL's capacity to manufacture value added gloves for exports, strengthening Sri Lanka's position in high-value rubber exports and contributing to increase foreign exchange earnings.

Yours faithfully,
