We refer to the Interim Financial Statements of Sathosa Motors PLC for the six-month period ended 30 September 2026, which were published on the Colombo Stock Exchange on 10th November 2026.

Subsequent to publication, we identified several typographical and presentation-related errors in the financial statements. These amendments do not affect the reported revenue, profit, total equity, net assets, cash flows, or any other key financial results previously disclosed.

The following corrections have been made:

1. **Statement of Profit or Loss and Other Comprehensive Income – Page 2**

    - Removal of the percentage (%) columns inadvertently included in the presentation of the Company's figures for the quarter ended 30th September 2026.

2. **Statement of Financial Position – Page 3**

    - The Group Property, Plant and Equipment balance for 2026 was revised from LKR 2,740,254,008 to LKR 2,740,254,009. Consequently, Group non-current assets were revised from LKR 3,806,823,839 to LKR 3,806,823,840, with a corresponding adjustment to the Group's total assets.

3. **Statement of Changes in Equity – Page 4**

    - Inclusion of the omitted description "Cash Dividend" in the Company Statement of Changes in Equity, in the line "Total comprehensive income for the period" and preceding "Balance as at 30th September 2026".
