## To the Shareholders of Colombo Dockyard PLC Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of Colombo Dockyard PLC ("the Company") and the consolidated financial statements of the Company and its subsidiaries ("the Group"), which comprise the statement of financial position as at December 31, 2024, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information as set out on pages 71 to 124 of this Annual Report.

In our opinion, the accompanying financial statements of the Company and the Group give a true and fair view of the financial position of the Company and the Group as at December 31, 2024, and of their financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

### Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics for professional Accountants issued by CA Sri Lanka (Code of Ethics), and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Material uncertainty in relation to going concern.

We draw attention to Note 38 of the financial statements, which indicates that the Group and Company incurred a net loss of Rs. 2,742.8 Mn and Rs. 2,757.4 Mn respectively during the year ended 31 December 2024 and as at that date the Group's and the Company's accumulated losses amounted Rs. 6,573.2 Mn and 8,606.6 Mn respectively. Further, the Group's and the Company's current liabilities exceed the current assets by Rs. 7,008.2 Mn and Rs. 8,710.8 Mn respectively. These events or conditions, along with other matters as set forth in Note 38 to the financial statements, indicate that a material uncertainty exists that may cast significant doubt on the Group's and the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the company financial statements and the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report.
