Dear Sir,

EXTERMINATORS PLC UNVEILS HYGIENE SOLUTIONS IN SRILANKA, MALDIVES.

Exterminators PLC, in collaboration with PELSIS UK and Sentario UK Limited, has launched an innovative range of washroom and hygiene products aimed at enhancing sanitation standards in Sri Lanka and the Maldives. Given the importance of stringent hygiene measures in tourism and public interactions in these regions, this strategic partnership demonstrates the effective amalgamation of global expertise to tackle local health challenges.

PELSIS UK, recognized as Europe's leading supplier of washroom hygiene products, brings over 25 years of industry experience to this alliance. Their extensive portfolio includes essential items tailored for commercial washrooms, such as efficient soap dispensers, eco-friendly Nappease™ nappy bins, and Sanibin® feminine hygiene bins, as well as sustainable hand dryers. Each product is meticulously designed to function synergistically, enabling the establishment of comprehensive washroom solutions that address various service cycles and applications.

Exterminators PLC's commitment to invest Rs.5 million over the next 12 months underscores the significance of this initiative. The collaborative effort of these companies not only sets new standards in cleanliness and public health but also exemplifies how innovative product design and effective distribution strategies can significantly enhance sanitation practices in regions reliant on tourism. Together, they are poised to make a substantial impact on public health and hygiene.

This initiative will take effect from 15th January 2025

Yours Sincerely

Managing Director
Mr.D.M. Ferreira
