Dear Madam,

RESUS ENERGY PLC
REVISION TO THE ALLOCATION OF PROCEEDS OF THE GREEN BOND ISSUE 2025

In compliance with Section 8, Rule 34(b) of the Listing Rules of the Colombo Stock Exchange, Resus Energy PLC (the "Company") hereby notifies the Colombo Stock Exchange of a marginal revision to the allocation of proceeds from its Green Bond Issue 2025.

As set out in the Prospectus dated 17th June 2025, the proceeds raised through the Green Bond Issue were allocated among the following objectives:

1. Objective 1 – Settlement of Term Loans: LKR 240.23 million, representing 24.02% of the total proceeds;

2. Objective 2 – Settlement of Commercial Papers obtained for the redemption of debentures: LKR 208.06 million, representing 20.81% of the total proceeds; and

3. Objective 3 – Financing Solar Power Projects: LKR 551.71 million, representing 55.17% of the total proceeds.

Upon settlement of the obligations falling under Objective 2, the actual settlement amounts marginally exceeded the respective amounts originally allocated in the Prospectus.

The amount utilized under Objective 2 – Settlement of Commercial Papers obtained for the redemption of debentures exceeded the original allocation by LKR 4.8 million due to the interest accrued on the commercial papers up to their respective dates of settlement. Accordingly, the proceeds allocated to this objective were fully utilized in July 2025. This has been duly reflected in the Errata to the Financial Statements published on 20th August 2026.
