Dear Ms. Perera,

PANASIAN POWER PLC

CORPORATE DISCLOSURE UNDER SECTION 8 OF THE LISTING RULES

Further to our announcement dated 17 November 2023, we are pleased to inform you of the successful grid connection of 5MW ground-mounted solar project at Uda Aparakke which is connected to Matara Grid Substation on 17 November 2025. This is the 6th 5MW ground-mounted solar power plant connected to National grid out of the seven (07) projects which entered into PPAs in Q3 of 2024. This project operates through the subsidiary of PAP and starts revenue generation from today.

This testing and commissioning represents a significant milestone in our renewable energy development strategy, adding another 5MWac/ 6.76MWp to the national grid and supporting Sri Lanka's commitment to expanding its renewable energy capacity.

In line with our commitment to integrating advanced technology where feasible, this project utilizes Longi Bi-facial, N type Solar PV 615 W Solar PV module with Fixed Tilt technology, where DC capacity has enhanced adequately to best harness the resource and assure optimum AC/DC design ratio.

Thank you.

Yours faithfully

For and on behalf of **Panasian Power PLC**
