Dear Ms. Perera,

PANASIAN POWER PLC
CORPORATE DISCLOSURE UNDER SECTION 8 OF THE LISTING RULES

Further to our announcement dated 15 August 2024, we are pleased to inform you that the 5MW ground-mounted solar project at Kurunegala is connected to the national grid, on 14 July 2025. This project operated through the subsidiary of PAP, is the 3rd 5MW ground-mounted solar power plant connected to the national grid and is expected to commence commercial operations shortly.

This testing and commissioning represent a significant milestone in our renewable energy development strategy, adding another 5MWac/ 6.24MWp to the national grid and supporting Sri Lanka's commitment to expanding its renewable energy capacity and meeting national renewable energy targets.

In line with our commitment to integrating advanced technology where feasible, this project utilizes Longi Bi-facial, N type, 615 W Solar PV module and Sungrow String Inverters along with tracker technology, where PV modules follow sun path to best harness the irradiation.

Thank you.

Yours faithfully
For and on behalf of **Panasian Power PLC**

Roshini Weudagedara
Company Secretary
