**R T Wickramasingha**

*Group Director*

Mr. Rasith Wickramasingha is a qualified Engineer by profession. He holds a Bachelor of Engineering in Electrical and Electronics from the Victoria University of Technology, Australia in addition to a BSc in Baking Technology Management from London South Bank University, UK.

Prior to joining the CBL Group, he has served in several large corporates in Australia such as G.E and Odonnel Griffin, contributing his expertise in the spheres of design, execution and management of large scale turnkey electrical, automation and infrastructure projects.

Mr. Wickramasingha entered his family venture - CBL in 2009 and currently serves as the Group Director, overlooking diverse functions including Research and Development, Production, Quality Assurance, Engineering and IT as Cluster Head of CBL. He also plays a pivotal role in ensuring a sustainable growth of the Group's confectionery cluster.
