Dear Madam,

LUMINEX PLC – TEMPORARY SUSPENSION OF BUSINESS OPERATIONS OF SUBSIDIARY IN OMAN

The Board of Directors of Luminex PLC (the “Board”) wishes to announce that, following a comprehensive review of the business operations, financial position and future commercial prospects of its subsidiary, Luminex International LLC, having its registered office at P.O. Box 58, P.C. 111, Sultanate of Oman, the Board has decided to temporarily suspend the business operations of the subsidiary.

The decision has been made following careful consideration of the prevailing economic and business conditions in the Sultanate of Oman, the ongoing war situation and the resulting uncertainties, together with the Board’s assessment of the subsidiary’s future commercial viability and business prospects.

Having duly evaluated these factors, the Board has concluded that the continuation of the subsidiary’s business operations is not commercially viable under the prevailing circumstances. Accordingly, the Board has resolved to suspend the business operations of Luminex International LLC with immediate effect.

Furthermore, the Board has decided to recognise a provision of LKR 195 million in the financial statements of the Company in connection with the suspension of the subsidiary’s business operations in Oman.

The Company will continue to monitor the prevailing circumstances and assess the future position of the subsidiary as appropriate.

Thanking you,

Yours faithfully,
