Dear Madam,

VIDULLANKA PLC – CORPORATE DISCLOSURE – SECTION 8
MARKET ANNOUNCEMENT: UPDATE ON THE 10MW RANNA SOLAR POWER PROJECT

On behalf of our client Vidullanka PLC, we wish to inform you that, in terms of Section 8 of the Listing Rules of the Colombo Stock Exchange, the Board of Directors of Vidullanka PLC (the “Company”) is pleased to announce that the construction of the 10MW Ranna Solar Power Project has been completed and the plant is fully ready for commercial operation.

The project is owned and developed by DPV Solar Energy (Pvt) Limited, a joint venture entity in which Vidullanka PLC holds a 50% equity interest, in strategic partnership with the David Peiris Group. The company invested Rs. 1.8 billion for the development of the project.

The project is currently awaiting Electricity Distribution (Pvt) Ltd (EDL), the surviving distribution entity under the unbundled utility framework, to energize the newly constructed grid interconnection line. Upon energization of the line by EDL, final testing and commissioning will be completed, following which the plant will commence commercial generation and supply clean, reliable energy to the national grid.

Upon successful commissioning, the Ranna Solar Power Project will add 10MW of renewable energy capacity to the national grid and mark a significant expansion of the Group’s domestic solar generation portfolio.

Yours faithfully

MANAGERS & SECRETARIES (PRIVATE) LIMITED
