NOTES TO THE FINANCIAL STATEMENTS

1. Account Status

The figures are provisional and subject to audit.

2. Basis of Preparation

The Interim Financial Statements for the six months ended 30th September 2026 have been prepared in accordance with the accounting policies set out in the audited Financial Statements for the year ended 31st March 2026, and also in compliance with Sri Lanka Accounting Standard 34 - Interim Financial Reporting.

3. Capital Commitments and Contingent Liabilities

Capital Commitments

There were no material capital commitment, which require adjustment to or disclouser in the financial statements as at the reporting date.

Contingent Liabilities

There were no material contingent liabilities, which require adjustment to or disclouser in the financial statements as at the reporting date.

4. Events occurring after the Reporting Date

There have been no material events subsequent to the interim period which require disclosures in the provisional Interim Financial Statements.

5. Going Concern Basis of Accounting

The interim financial statements have been prepared on a going concern basis.

As disclosed in the Annual Report for the year ended 31St March 2026, the Directors reassessed the Group's ability to continue as a going concern as of 30th September 2026, taking into account the latest financial performance, forecast cashflows, available banking facilities, and the progress of the subsidiary's mitigation plans.

In making this assessment, the Directors noted that the subsidiary incurred a net loss after tax of Rs.20,463,335/- for the period ended 30th September 2026 (2025/26–Rs.19,849,134/-), had accumulated losses of Rs.322,597,277/- as of 30th September 2026 (31st March 2026–Rs.302,133,942/-), recorded net operating cash outflows of Rs.67,755,570/- during the period (2025/26–positive operating cashflows of Rs. 35,696,212/-), and that its net assets remain below half of its stated capital. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the subsidiary's ability to continue as a going concern.

Nevertheless, the Directors considered that the subsidiary had positive working capital, with current assets exceeding current liabilities by Rs.188,386,634/- as of 30 September 2026 (31 March 2026–Rs.207,854,494/-), together with unutilized trust receipt facilities available to finance inventory purchases. They also oconsidered the strategic initiatives implemented by management to improve operational efficiency, profitability, and cash flows.

Having considered these factors, the Directors are satisfied that the subsidiary has adequate resources to continue its operations for the foreseeable future. Accordingly, the Directors of the Parent Company consider it appropriate to prepare the interim financial statements on a going concern basis.
