14 Financial Reporting by Segments as per the Provision of SLFRS - 08

The company's segmental reporting is based on the following operating segments: Leasing, Hire purchase, Personal Loans, Gold Loan, Factoring, SME & Other Loans and Receivables.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss, and in certain respects, are measured differently from operating profits or losses in the financial statements. However, income taxes are managed on a group basis and are not allocated to operating segments.
