

# Nations Trust Bank partners Paycorp International

Monday, July 12, 2021

Nations Trust Bank entered into a strategic partnership agreement with Paycorp International to launch innovative and safer payment capabilities, benefiting both Nations Trust Bank American Express merchant business partners as well as Card members.

Paycorp International, a wholly owned subsidiary of Bancstac, is a pioneering Internet Payment Gateway (IPG) in Sri Lanka that is Payment Card Industry Data Security Standard (PCI DSS) Level 1 certified and offers 3D secure certified payment verification to protect businesses and consumers against fraud across all major credit card schemes.

As an authorised payment aggregator for Nations Trust Bank American Express, Diners Club and Discover Network card payments, Paycorp International supports the Bank's merchant business partners to offer Cardmembers a seamless online payment experience that is secure and encrypted.

Nations Trust Bank Head of Cards and Consumer Assets Niluka Gunatilake said, "We are supportive of all our American Express, Diners Club and Discover Network payment aggregators and chose to partner with Paycorp International because they offer a unique industry solution to consumers, businesses and banks in Sri Lanka. Paycorp International can integrate with a Bank's legacy payment systems and offer our merchant business partners the ability to accept American Express, Diners Club and Discover Network online card payments without any merchant-side technical integration work." Furthermore, Nations Trust Bank American Express merchant business partners will be able to utilize the Paycorp International IPG merchant portal to view American Express, Diners Club and Discover Network transactions processed via Nations Trust Bank. Evan Lau, Director of Bancstac said, "We are excited to partner with Nations Trust Bank to bring innovative payment capabilities to Sri Lanka. This strategic partnership uniquely positions us to deliver on our vision to modernize Sri Lanka's digital payment economy. Through bank partners such as Nations Trust Bank, our PCI DSS Level 1 certified IPG makes it easy for businesses, governments and communities to facilitate secure e-commerce transactions."

Nations Trust Bank PLC is among the top 15 business establishments in Sri Lanka as ranked by Business Today. Stemming from its vision of "helping people and businesses

by providing financial services and information to achieve their goals and aspirations in a sustainable way”, the Bank serves a diverse range of customers across both individual and corporate, with an enviable portfolio of banking and financial products and services.
